## About me

Final semester student at RMIT University Vietnam ready to work since June 2022. Proven with business analysis, marketing and communication skills. Able to manage time wisely and organizedly, multitask, work under pressure and agilely learn. Seeking an entry-level position as a channel development to grow my experience in resolving assigned inquiries, and contributing to the organization's outcome.

## Skills

Critical Analysis | Vietnamese and English proficiency |  
Design in Adobe Photoshop, Illustrator, and Canva | Creativity |  
Microsoft Office | Time Management |

## Awards

### Digital Business Competition

RMIT Activator 2022

October 2021 - January 2022

Acknowledged for the second runner-ups for the project about hybrid educational platforms. Successfully pitched the idea of the startup and finished its business plan.

### RMIT International Business Forum

RMIT International Business Forum 2020-2021

June 2020 - June 2021

Acknowledged for actively participating in the annual RMIT Forum in 2020 and 2021. Participated in discussion and reflection about several topics, such as Global Value Chain, business opportunities in Vietnam and Vietnamese coffee in the global market.
